EVENT: .....

The Fairtrade Foundation is working right now to bring a fair price, sustainable livelihoods and improved standards of living to producers in the developing world.

Your donation will help Fairtrade expand its reach so that more farmers, workers and their families in the developing world can work their way out of poverty. We do this by developing new Fairtrade products and working with producers to become Fairtrade certified.

Using Gift Aid means that for every pound you give, the Fairtrade Foundation will get an extra 25 pence from the HM Revenue & Customs, helping your donation go further.

This means that £10 can be turned into £12.50, just so long as donations are made through Gift Aid. Imagine what a difference that could make, and it doesn't cost you a penny.

For your donations to qualify for Gift Aid you must pay an amount of income tax and/or capital gains tax in each tax year at least equal to the tax that the Fairtrade Foundation will claim from HM Revenue & Customs on your Gift Aid donation(s).
