You'll find facts, figures and lots of information to download about farmers and workers, including posters and leaflets for your office.

If you're a business and you supply Fairtrade and you're not in the guide please forgive us and let us know!

The National Purchasing Guide is put together using campaigner directories from around the UK and will be updated annually.

If you want to amend your details or add yourself to the next version, please email commercial@fairtrade.org.uk

FAIRTRADE HAS GONE FROM STRENGTH TO STRENGTH, WITH MORE PRODUCTS AVAILABLE NOW THAN EVER BEFORE AND MORE SHOPPERS THAN EVER LOOKING TO CHOOSE FAIRTRADE. WE HOPE THIS GUIDE WILL HELP YOU FIND THE FAIRTRADE PRODUCTS YOU NEED TO DELIGHT YOUR CUSTOMERS, KNOWING THAT THEIR PURCHASES ENABLE FAIRTRADE FARMERS, WORKERS AND THEIR FAMILIES TO LIVE BETTER LIVES.

Catherine David,
Head of Commercial Partnerships,
Fairtrade Foundation.

CHOOSE FAIRTRADE

WHY SWITCH TO FAIRTRADE?

Your customers are now much more aware and interested in where their food comes from, who grows it and how. This trend is putting businesses in the spotlight as consumers want to know that workers are not being exploited. It means ethical consumption is growing fast. It's currently growing nearly eight times faster than the economy as a whole. Sales of Fairtrade products grew 7 percent in 2017 and trust of the FAIRTRADE Mark is higher than for any other consumer label at 84 percent.

WHAT IS FAIRTRADE?

Fairtrade changes the way trade works through better prices, decent working conditions and a fairer deal for farmers and workers in developing countries. By choosing Fairtrade products, people can create change through their everyday actions, and farming communities can improve their lives and invest in their future.

WHAT ARE THE BENEFITS FOR MY BUSINESS?

Corporate behaviour is under intense scrutiny by an increasingly discerning public who make ethical choices when spending their money. Integrating Fairtrade into your business by switching to Fairtrade purchasing is a highly effective way of showing your customers that you care, and potentially attracting more customers.

Switching to Fairtrade also adds a feel-good factor for staff. Offering Fairtrade products to your staff and customers is a great way to demonstrate that you are a caring business as the FAIRTRADE Mark has a high level of recognition and consumer confidence.

I WANT TO SWITCH TO FAIRTRADE – WHAT NEXT?

There are plenty of national suppliers listed in this brochure, or ask your current supplier if you are tied into a contract – most now have Fairtrade options. If you switch to Fairtrade, take a look at **[fairtrade.org.uk](https://www.fairtrade.org.uk)** for some resources to promote your products.
